

# Asbury Heights Personal Care Floor Plans

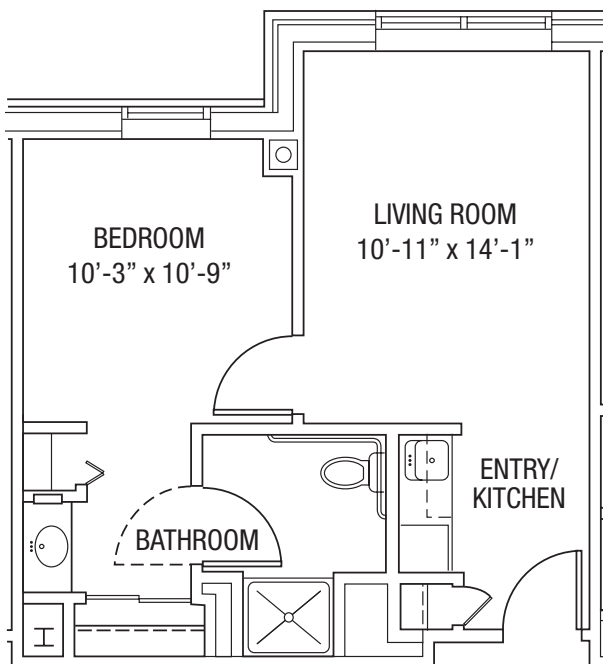

## At Home at Asbury Heights

A variety of personal care living options are available at Asbury Heights. Our newest three-story residence — Asbury Villas — includes studios and one- and two-bedroom suites. Each unit is tastefully appointed with window treatments and wall-to-wall carpeting. All suites include a kitchenette with microwave and frost-free refrigerator/freezer, private bathroom and a dressing area.

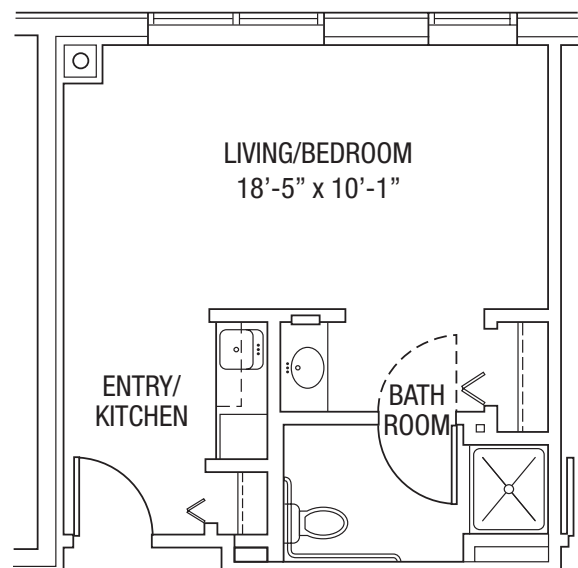

Residents are encouraged to make their spaces their own by bringing along personal furniture and decorative accessories. Residents who do not have their own furnishings will be provided with a bed, dresser with mirror, nightstand, lamp and a comfortable chair.
